

Thomas Sproat – Sr. Director Network Development, Tradelens

Tom has worked for the A.P. Moller group since 2006, and prior with P&O Nedlloyd. Tom has a varied background in our Industry having sailed as an officer on merchant vessels, worked on terminals, managed operations, as well as a significant amount of time on the commercial side. In his current role, Tom is responsible to bring onboard Ports/Terminals/Rails/Customs Authorities etc, to the Tradelens platform .

Tom will speak to the pace of digitization in our industry, focusing on the Bill of Lading, and how it is changing the way we will be doing business
